READING OF THE AGENDA AND MEETING PROCEDURE BY THE MAYOR

MEETING DATE: January 18, 2021

As this is a remote meeting, I will read aloud the agenda for the benefit of remote attendees--particularly attendees who have called in and cannot see visual materials--and will explain the process for public comment for remote attendees.

Remote attendees will begin with microphones muted.

Public comment will be taken at the beginning and end of the meeting during the Hearing of Citizens period.

- Remote attendees using a computer, tablet, smartphone, or similar device may select the "raise hand" option visible near the bottom of their screen to indicate they wish to comment.
- Remote attendees who have dialed in on a telephone may "raise hand" by pressing the *9 keys.

Audience members who indicate that they wish to comment will be called on individually and their microphone unmuted.

We ask that persons who comment please say their name and address for the minutes, when they first comment.

In addition we encourage all persons, including audience members, persons presenting agenda items, staff members, and council members to say their name when they speak unless introduced by the previous speaker, to help attendees be aware of who is speaking.
