- 1 Consider petition submitted by Calli Berg on behalf of the Greater Bridgman Area Chamber of Commerce and Growth Alliance to amend signage regulations to facilitate local business participation with the Michigan Department of Transportation's (MDOT) Logo Signing Program.

Berg presented a request for an amendment to the zoning language to allow signage, off premise, to facilitate MDOT's requirement for the Logo Signage Program. She asked that a Public Hearing be set to address this.

Berg stated that the signs would be placed at the bottom of the current sign located to the south of D. W. Rogers Sales.

Herrman said that unfortunately without verbiage to identify why the Public Hearing is being held the Commission could not move forward on this issue. He further stated that this is the third time that an issue has come before the Commission without being complete.

Woerdehoff made a motion to convene a meeting of the Planning Commission on February 23, 2016 at 6:45 P.M. At City Hall, to address the MDOT Logo Signage requirement of off premise signs.

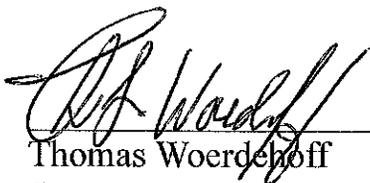

Nitz provided a second.
