

What: Memorial Park Benches

Where: Placed in our City Parks

Cost: \$560

Contact: sball@bridgman.org or 269-930-2476

More Information

The City of Bridgman is accepting donations for park benches that will be placed in our city parks in memory of a loved one. All benches will be the 4' IPE Garden Bench made by Carson's Wood Specialties. The engraving is not included in the donation and will need to be purchased separately and directly from Carson's Wood Specialties. The bench will be placed in one of our Bridgman City Parks and the location will be selected by the City Parks Department. The benches will be kept in the parks for the duration of their lifecycle. To donate a bench, contact the Director of Parks and Recreation Sara Ball at sball@brigman.org.
