For Resilient Bridgman Master Plan Community Meetings

Monday, July 31, 2017 @ 7 PM
Thursday, August 17 @ 7 PM
Tuesday, Sept. 12 @ 7 PM

these are all reasons...

- + Changes in national, state, and regional economic forecasts
- + Increasing climate variability as seen in coastal communities
- + Greater diversification in Michigan's energy sector
- + 21st Century patterns in housing and community development
- + Best practices for maintaining unique coastal ecosystems
- + Building sustainable transportation and infrastructure systems
- + Protecting clean water

to join the discussion and contribute to the Resilient Bridgman Master Plan!

All public meetings will be held at:
Weko Beach House
5301 Lake St PO Box 366
Bridgman, Michigan, MI 49106
