

2017 Fall Cleanup Schedule

Bagged Leaves are indicated in **GREEN** on the calendar. The city requires the use of biodegradable paper leaf bags. City workers will not pick up leaf bags made from any other material. Residents have the option of raking their leaves to the curb, where they will be picked up by city workers using the city's leaf vacuum.

Leaf and brush burning within the city limits is prohibited.

Curb-side Leaf Pickup is indicated in **ORANGE** on the calendar. The leaf vacuum will begin on the east side of the city and complete one pass per week through the city. Leaves must be raked to the roadside/curb.

Brush is indicated in **YELLOW** on the calendar. Please limit to yard cleanup. City workers will spend no more than 15 minutes at each property.

Christmas Tree Pick Up – January 3 and 10, 2018 (weather permitting)

Large Trash Pick Up – October 4 and 11. Items not accepted include those larger than a refrigerator, tires and construction material. Refrigerators and air conditioners must have the Freon removed with a tag attached indicating as such. A complete list of accepted items is available on the city's website and at City Hall.

Republic Services also will pick up your extra-large items for a fee. To schedule such a pickup, call Republic Services at (269) 465-3773.
